Costrux have been a dream to work with. The entire project from start to finish was "pressure free" and not stressful at all. The quality of work has been outstanding and I can not fault him or his team.

Teena Jennings

I have had the privilege of collaborating with Costrux on various projects. Their commitment to excellence has consistently impressed me throughout our longstanding partnership. From the initial planning stages to the final touches, their dedication to quality work and professionalism is unmistakable.

Costrux stands out for their unwavering commitment to client satisfaction. Their expertise, meticulous attention to detail, and transparent communication make every collaboration a positive and rewarding experience.

BUILDING BETTER

Why choose us

Costrux is a forward-thinking custom home builder based in Newcastle, NSW, established in 1996. Led by a dedicated sole director who also serves as the head builder, our company takes a hands-on approach to crafting beautiful, high-quality custom homes, multi-unit developments, extensions renovations and bespoke bathroom transformations.

With strong experience spanning over two decades and a proven track record of excellence, Costrux has forged strong partnerships with some of the finest tradespeople in Newcastle, ensuring each project is executed to the highest standard.

At Costrux, we pride ourselves on our attention to detail, delivering truly personalised work tailored to each client's unique vision. Our commitment to providing attentive and individualised service is unwavering, supported by a robust team of both onsite and office staff. We maintain financial stability, ensuring peace of mind for our clients throughout the construction process.

Collaborating closely with architects, Costrux will bring the plans to life of architectural projects achieving outcomes that exceed expectations. We understand the importance of symbiotic architect-builder relationships, which are central to the success of our projects.

Through seamless collaboration, we consistently deliver exceptional results that uphold the highest standards of quality and craftsmanship.

Workplace safety is paramount at Costrux, with comprehensive site inductions, strict compliance with Occupational Health and Safety (OH&S) regulations, and regular site safety inspections conducted every fortnight

Strong communication across the project ensures we uphold effective project management at every stage of the construction of your new home.
